**MEMORANDUM OF UNDERSTANDING**  
**Between**  
**THE OFFICE OF THE ATTORNEY GENERAL of TEXAS**  
**And**  
**HARRIS COUNTY CONSTABLE'S OFFICE PRECINCT NO. 4**

**OAG Contract No. 1018571**

This Memorandum of Understanding (MOU) is executed between the Office of the Attorney General of Texas (OAG) and Harris County Constable's Office Precinct No. 4 (DEPARTMENT) for certain grant funds. The Office of the Attorney General and Harris County Constable's Office Precinct No. 4 may be referred to in this contract individually as "Party" or collectively as "Parties."

**SECTION 1. MISSION OF THE OAG**

The Internet Crimes Against Children (ICAC) Task Force Program, United States Department of Justice, Office of Justice Programs, Office of Juvenile Justice and Delinquency Prevention, (OJJDP) has created the ICAC Task Force Program, which is a national network of state and local law enforcement cyber crime units to address technology-facilitated child exploitation. These task forces work collaboratively as a national network of law enforcement and prosecutorial agencies that prevent, interdict, investigate and prosecute Internet crimes against children. The ICAC program requires existing task forces to develop multi-jurisdictional, multi-agency responses to such offenses by providing funding and other support to state and local law enforcement agencies as a means to help them acquire the necessary knowledge, personnel, and equipment. This help encompasses investigative and forensic components, training and technical assistance, victim services, and community education.

The OAG is designated by the OJJDP as the Regional Contact for the "Texas, Southern ICAC Task Force". The OAG is a recipient of an OJJDP ICAC grant. The OAG utilizes the ICAC grant funds to administer and operate an ICAC Task Force. The mission of the OAG's ICAC Task Force is to: (1) properly investigate and prosecute those who sexually exploit children through the use of the Internet and/or computers; (2) provide training and equipment to those involved in investigating and prosecuting Internet Crimes Against Children, and (3) provide community education regarding the prevention of Internet crimes against children.

**SECTION 2. PURPOSE OF THE MOU**

The purpose of this MOU is to formalize the working relationship between the OAG and the DEPARTMENT. This MOU delineates the responsibilities and expectations of the parties. By signing this MOU, the DEPARTMENT agrees to join the OAG ICAC Task Force for the primary purpose of vigorously and properly investigating Internet Crimes Against Children. By joining the OAG ICAC Task Force, the DEPARTMENT will benefit from grant resources, joint operations, and extensive training opportunities. By entering into this MOU, the OAG will benefit from the investigative support by DEPARTMENT.

### **SECTION 3. INVESTIGATIONS**

All ICAC investigations will be conducted only by sworn law enforcement investigators and in a spirit of cooperation with other OAG ICAC Task Force members. Investigations will follow guidelines established by each party's agency's respective policy manual or guidelines. However, ICAC investigations shall also be governed by the national ICAC program's Operational and Investigative Standards. Violation of the ICAC operational standards is cause for termination of this MOU. This MOU is not intended to infringe on the ongoing investigations of any other agency. It is agreed that unilateral acts on the part of employees involved in ICAC Task Force investigations are not in the best interest of the Task Force.

### **SECTION 4 DEPARTMENT'S DUTIES AND RESPONSIBILITIES**

The DEPARTMENT will ensure the following activities:

- A. Only sworn DEPARTMENT law enforcement personnel will conduct undercover ICAC investigations. Each investigator involved with undercover operations **must** receive ICAC training prior to initiating proactive investigations and shall submit reports of all undercover activity to the OAG.
- B. Conduct reactive investigations where subjects are associated with the DEPARTMENT's jurisdiction, including investigations of child pornography, CYBERTIP referrals from NCMEC, Internet Service Provider and law enforcement referrals, and other ICAC-related investigations. Additional case initiations may develop from subject interviews, documented public sources, and direct observations of suspicious behavior, public complaints, or other appropriate sources.
- C. Record and document all undercover online activity and any deviations from this policy due to unusual circumstances shall be documented in the relevant case file and reviewed by the ICAC Task Force Program Manager.
- D. Provide agents assigned to the ICAC Task Force access to all ICAC investigative files including, without limitation, computer records, in order to ensure compliance with all national ICAC standards.
- E. Locate its ICAC investigators in secured space provided by DEPARTMENT with controlled access to all equipment, software, and investigative files. At a minimum, information should be maintained in locked cabinets and under control of the DEPARTMENT ICAC Task Force personnel, with restricted access to authorized personnel only.
- F. Conduct education and prevention programs to foster awareness and provide practical, relevant guidance to children, parents, educators, librarians, the business and law enforcement communities, and other individuals concerned about Internet child safety issues. Presenters shall not discuss ongoing investigative techniques and undercover operations utilized by the ICAC Task Force.

## **SECTION 5     SUPERVISION; COMPLIANCE WITH REGULATORY AND LICENSING BODIES**

The DEPARTMENT will be responsible for the day-to-day operational supervision, administrative control, and personal and professional conduct of its investigators and personnel assigned to the ICAC Task Force. ICAC investigations are a cooperative effort and investigative decisions will be a joint process guided by ICAC standards.

The DEPARTMENT agrees that it and its investigators and personnel have obtained all licenses, certifications, permits and authorizations necessary to perform the responsibilities of this MOU. THE DEPARTMENT agrees to comply with all applicable licenses, legal certifications, inspections, and any other applicable local ordinance, state, or federal laws.

## **SECTION 6     NO EMPLOYMENT RELATIONSHIP WITH THE OAG; LIABILITY**

The DEPARTMENT expressly agrees that it is an independent contractor and under no circumstances shall any owners, incorporators, officers, directors, employees, or volunteers of OAG be considered an employee, agent, servant, joint venturer, joint enterpriser or partner of the OAG.

To the extent allowed by law, the DEPARTMENT is responsible for all types of claims whatsoever due to their own actions or performance or inactions under this MOU, including, but not limited to, the use of automobiles (or other transportation), taken by its owners, incorporators, officers, directors, employees, volunteers or any third parties.

## **SECTION 7     REPORTING STATISTICS**

Using the reporting form provided by the OAG, the DEPARTMENT shall submit monthly statistics to the OAG on all ICAC investigations or other investigative work pertaining to the sexual exploitation of children via the Internet. These statistics shall be submitted in the appropriate format by the 10th calendar day of each month, and shall include data on all related investigations opened or closed during the month, as well as forensic examinations, technical/investigative assistance provided to other agencies, subpoenas and court orders issued, training hours attended and taught, and community outreach provided.

In addition, the DEPARTMENT'S report will include detail reporting on the basic case data shall be included for each sexual exploitation of a minor (child pornography) case, and/or criminal solicitation of a minor (enticement/traveler) case investigated by the DEPARTMENT. The OAG will then be responsible for all required reporting to OJJDP.

## **SECTION 8     TRAINING**

The DEPARTMENT shall make investigators designated as ICAC Task Force members available for applicable specialized training provided through the national ICAC program and other appropriate training programs. The DEPARATMENT will support the on-going training needs of its ICAC investigators and personnel to maintain their competency and currency.

## **SECTION 9      CONFIDENTIALITY**

It is understood that any confidential information pertaining to investigations of Internet Crimes Against Children will be held in the strictest confidence, and will only be shared with participating OAG ICAC Task Force members or other law enforcement agencies where necessary or as otherwise authorized by federal and/or state law.

## **Section 10      Term of MOU**

This MOU shall be effective on October 1, 2009 and will continue in effect until terminated by either party.

## **Section 11      Termination of MOU**

Either Party, at its sole discretion, with or without cause, may terminate this MOU upon thirty (30) calendar day written notice to the other party. Reasons for the OAG to terminate this MOU, include, but are not limited to failure of DEPARTMENT to accept and/or investigate cybertips, failure of DEPARTMENT to report statistics to the OAG, failure of DEPARTMENT to adhere to national ICAC program's Operational and Investigative Standards, or failure of DEPARTMENT to not exercise reasonable efforts to support the on-going training needs of its ICAC investigators and personnel to maintain their competency and currency.

## **Section 12      Signatures**

The Parties stipulate and agree that the signatories hereto are signing, executing and performing this MOU only in their official capacity.

**4.3.7 Refunds and Deductions.** If the OAG determines that GRANTEE has been overpaid grant funds under this contract, such as payments made inadvertently or payments made but later determined to not be actual and allowable allocable costs, GRANTEE shall refund that amount of the OAG reimbursement identified by the OAG as an overpayment. The OAG may offset and deduct the amount of the overpayment from any amount owed to GRANTEE, as a reimbursement, but not yet paid by the OAG to GRANTEE. The OAG may choose to require a payment directly from GRANTEE rather than offset and deduct a specified amount. GRANTEE shall refund any overpayment to the OAG within thirty (30) calendar days of the receipt of the notice of the overpayment from the OAG unless an alternate payment plan is specified by the OAG.

**4.3.8 Purchase of Equipment; Maintenance and Repair; Title upon Termination.** GRANTEE shall not give any security interest, lien or otherwise encumber any item of equipment purchased with contract funds. GRANTEE shall permanently identify all equipment purchased under this contract by appropriate tags or labels affixed to the equipment. GRANTEE shall maintain a current inventory of all equipment or assets, which is available to the OAG at all times upon request.

GRANTEE will administer a program of maintenance, repair, and protection of equipment or assets under this contract so as to ensure the full availability and usefulness of such equipment or assets. In the event GRANTEE is indemnified, reimbursed, or otherwise compensated for any loss of, destruction of, or damage to the assets provided under this contract, it shall use the proceeds to repair or replace said equipment or assets.

To the extent that the OAG reimburses GRANTEE for its purchase of equipment and supplies with funds from this contract, GRANTEE agrees that upon termination of the contract, title to or ownership of all such purchased equipment and supplies, at the sole option of the OAG, shall remain with the OAG.

**4.3.9 Direct Deposit.** GRANTEE may make a written request to the OAG to be placed on Direct Deposit status by completing and submitting to the OAG the State Comptroller's Direct Deposit Authorization Form. After the direct deposit request is approved by the OAG and the setup is completed on the Texas Identification Number System by the State Comptroller's Office, payment will be remitted by direct deposit and the OAG will discontinue providing GRANTEE with copies of reimbursement vouchers.

**4.3.10 Recovery Act - Separate Tracking and Reporting of Recovery Act Funds and Outcomes.** GRANTEE agrees to track, account for, and report on all funds from this grant award (including specific outcomes and benefits attributable to Recovery Act funds) separately from all other funds, including Department of Justice award funds from non-Recovery Act awards awarded for the same or similar purposes or programs. Recovery Act funds may be used in conjunction with other funding as necessary to complete projects, but tracking and reporting of Recovery Act funds must be separate. Accordingly, the accounting systems of the GRANTEE must ensure that funds from this Recovery Act award are not commingled with funds from any other source. GRANTEE further agrees that all personnel whose activities are to be charged to the award will maintain timesheets to document hours worked for activities related to this award and non-award related activities.

**4.3.11 Executive Order RP-70.** Pursuant to Executive Order RP-70, GRANTEE is encouraged, but not required, to post any open positions funded by this grant on [workintexas.com](http://workintexas.com).

## **SECTION 5 OBLIGATIONS OF OAG**

**5.1 Monitoring.** The OAG is responsible for closely monitoring GRANTEE to ensure the effective and efficient use of grant funds to accomplish the purposes of this contract.

**5.2 Maximum Liability of OAG.** The maximum liability of the OAG is contained in the attached Exhibit A. Any change to the maximum liability must be supported by a written amendment to this contract.

**5.3 Reimbursement of Grantee Expenses.** The OAG shall be liable to reimburse GRANTEE for all actual and allowable allocable costs incurred by GRANTEE pursuant to this contract. The OAG is not obligated to pay unauthorized costs.

**5.4 Contract Not Entitlement or Right.** Reimbursement with contract funds is not an entitlement or right. Reimbursement depends, among other things, upon strict compliance with all terms, conditions and provisions of this contract.

## **SECTION 6 TERMINATION**

**6.1 Termination for Convenience.** Either Party may, at its sole discretion, terminate this contract in whole or in part, without recourse, liability or penalty, upon thirty (30) calendar days notice to the other party.

**6.2 Termination for Cause.** In the event that GRANTEE fails to perform or comply with an obligation of the terms, conditions and provisions of this contract, the OAG may, upon written notice of the breach to GRANTEE, immediately terminate all or any part of this contract.

**6.3 Termination Not Exclusive Remedy; Survival of Terms and Conditions.** Termination is not an exclusive remedy, but will be in addition to any other rights and remedies provided in equity, by law, or under this contract.

Termination of this contract for any reason or expiration of this contract shall not release the Parties from any liability or obligation set forth in this contract that is expressly stated to survive any such termination or by its nature would be intended to be applicable following any such termination. The following terms and conditions, (in addition to any others that could reasonably be interpreted to survive but are not specifically identified), survive the termination or expiration of this contract: Sections 4, 7, 11; and 12.

## **SECTION 7 AUDIT RIGHTS; RECORDS RETENTION**

**7.1 Duty to Maintain Records.** GRANTEE shall maintain adequate records to support its charges, procedures, and performances to the OAG for all work related to this contract. GRANTEE also shall maintain such records as are deemed necessary by the OAG, OAG's auditor, the State Auditor's Office or other auditors of the State of Texas, the United States, or such other persons or entities designated by the OAG, to ensure proper accounting for all costs and performances related to this contract.

**7.2 Records Retention.** GRANTEE shall maintain and retain for a period of four (4) years after the submission of the final expenditure report, or until full and final resolution of all audit or litigation matters which arise after the expiration of the four (4) year period after the submission of the final expenditure report, whichever time period is longer, such records as are necessary to fully disclose the extent of services provided under this contract, including but not

limited to any daily activity reports and time distribution and attendance records, and other records that may show the basis of the charges made or performances delivered.

**7.3 Audit Trails.** GRANTEE shall maintain appropriate audit trails to provide accountability for updates to mission critical information, charges, procedures, and performances. Audit trails maintained by GRANTEE will, at a minimum, identify the supporting documentation prepared by GRANTEE to permit an audit of the system by tracing the activities of individuals through the system. GRANTEE's automated systems must provide the means whereby authorized personnel have the ability to audit and to verify contractually required performances and to establish individual accountability for any action that can potentially cause access to, generation of, or modification of confidential information.

**7.4 Access and Audit.** GRANTEE shall grant access to and make available copies of all paper and electronic records, books, documents, accounting procedures, practices, and any other items relevant to the performance of this contract, compliance with the applicable state or federal laws and regulations, and the operation and management of GRANTEE to the OAG or its designees for the purposes of inspecting, auditing, or copying such items. GRANTEE will direct any contractor to discharge GRANTEE's obligations to likewise permit access to, inspection of, and reproduction of all books and records of the subcontractor(s) that pertain to this contract. All records, books, documents, accounting procedures, practices, and any other items, in whatever form, relevant to the performance of this contract, shall be subject to examination or audit. Whenever practical as determined at the sole discretion of the OAG, the OAG shall provide GRANTEE with up to five (5) business days advance notice of any such examination or audit.

**7.5 Location.** Any audit of records shall be conducted at GRANTEE's principal place of business and/or the location(s) of GRANTEE's operations during GRANTEE's normal business hours. GRANTEE shall provide to OAG or its designees, on GRANTEE's premises (or if the audit is being performed of a subcontractor, the subcontractor's premises if necessary) private space, office furnishings (including lockable cabinets), telephone and facsimile services, utilities and office-related equipment and duplicating services as OAG or its designees may reasonably require to perform the audits described in this contract.

**7.6 Recovery Act Audit Provisions.** In addition to these audit provisions, GRANTEE agrees to fully cooperate with any auditor in relation to any activity related to this contract. GRANTEE understands and agrees that DOJ (including OJP and the Office of the Inspector General (OIG)), and its representatives, and the Government Accountability Office (GAO), the Texas State Auditor's Office (SAO), the OAG, and any other federal or state designated auditor or representative shall have access to and the right to examine all records (including, but not limited to, books, papers, and documents) related to this grant award, including such records of any subrecipient, contractor, or subcontractor. GRANTEE also understands and agrees that DOJ, the GAO, the SAO, the OAG, or any other federal or state designated auditor or representative are authorized to interview any officer or employee of the GRANTEE (or of any subrecipient, contractor, or subcontractor) regarding transactions related to this grant award.

The Parties agree to make a good faith effort to identify, communicate and resolve problems found by either the OAG or GRANTEE.

**9.1 Corrective Action Plans.** If the OAG finds deficiencies with GRANTEE's performance under this contract, the OAG, at its sole discretion, may impose one or more of the following remedies as part of a corrective action plan: increase monitoring visits; require additional or more detailed financial and/or programmatic reports be submitted; require prior approval for

expenditures; require additional technical or management assistance and/or make modifications in business practices; reduce the contract amount; and/or terminate this contract. The foregoing are not exclusive remedies, and the OAG may impose other requirements that the OAG determines will be in the best interest of the State.

**9.2 Financial Hold.** Failure to comply with submission deadlines for required reports, invoices, or other requested information, may result in the OAG, at its sole discretion, placing GRANTEE on immediate financial hold without further notice to GRANTEE and without first requiring a corrective action plan. No reimbursements will be processed until the requested information is submitted. If GRANTEE is placed on financial hold, the OAG, at its sole discretion, may deny reimbursement requests associated with the invoices submitted during the time GRANTEE was placed on financial hold.

The OAG, at its sole discretion, may impose sanctions, including, but not limited to, withhold or suspend funding, offset previous reimbursements, require repayment, disallow claims for reimbursement, reduce funding, terminate this contract and/or any other appropriate sanction.

**9.4 No Waiver.** Notwithstanding the imposition of corrective actions, financial hold and/or sanctions, GRANTEE remains responsible for complying with the contract terms and conditions. Corrective action plans, financial hold and/or sanctions do not excuse or operate as a waiver of prior failure to comply with this contract.

## **SECTION 10 GENERAL TERMS AND CONDITIONS**

**10.1 Federal and State Laws, Rules and Regulations, Directives, Guidelines, OMBs and Other Relevant Authorities.** GRANTEE agrees to comply with all applicable federal and state laws, rules and regulations, directives, guidelines, OMB circulars, or any other authorities relevant to the performance of GRANTEE under this contract.

The Texas Office of the Attorney General ICAC Task Force (\$1,479,141.00) will use ARRA grant funding to support a prosecutor, a legal assistant, and one new investigator. The prosecutor and legal assistant would prepare cases for federal or state court to fully prosecute those individuals that use technology to victimize children. The new investigator would increase the TX OAG's ability provide forensic examinations.

This grant program is authorized by the American Recovery and Reinvestment Act of 2009 (Public Law 111-5) (the "Recovery Act") and by the Providing Resources, Officers, and Technology to Eradicate Cyber Threats to Our Children Act of 2008, (P.L. 110-401, codified at 42 USC 17601 - 17616) ("the PROTECT Act"). The stated purposes of the Recovery Act are: to preserve and create jobs and promote economic recovery; to assist those most impacted by the recession; to provide investments needed to increase economic efficiency by spurring technological advances in science and health; to invest in transportation, environmental protection, and other infrastructure that will provide long-term economic benefits; and to stabilize State and local government budgets, in order to minimize and avoid reductions in essential services and counterproductive State and local tax increases.

The Internet Crimes Against Children (ICAC) Task Force Program seeks to maintain and expand State and regional ICAC task forces to address technology-facilitated child exploitation. These task forces work collaboratively as a national network of law enforcement and prosecutorial agencies that prevent, interdict, and investigate Internet crimes against children. The program requires existing task forces to develop multijurisdictional, multiagency responses to such offenses by providing funding and other support to State and local law enforcement agencies as a means to help them acquire the necessary knowledge, personnel, and equipment.

**21. RECOVERY ACT - Quarterly Financial Reports**

The recipient agrees to submit quarterly financial status reports to OJP. At present, these reports are to be submitted on-line (at <https://grants.ojp.usdoj.gov>) using Standard Form SF 269A, not later than 45 days after the end of each calendar quarter. The recipient understands that after October 15, 2009, OJP will discontinue its use of the SF 269A, and will require award recipients to submit quarterly financial status reports within 30 days after the end of each calendar quarter, using the government-wide Standard Form 425 Federal Financial Report form (available for viewing at [www.whitehouse.gov/omb/grants/standard\\_forms/ffr.pdf](http://www.whitehouse.gov/omb/grants/standard_forms/ffr.pdf)). Beginning with the report for the fourth calendar quarter of 2009 (and continuing thereafter), the recipient agrees that it will submit quarterly financial status reports to OJP on-line (at <https://grants.ojp.usdoj.gov>) using the SF 425 Federal Financial Report form, not later than 30 days after the end of each calendar quarter. The final report shall be submitted not later than 90 days following the end of the grant period.

**22. RECOVERY ACT - Recovery Act Transactions Listed in Schedule of Expenditures of Federal Awards and Recipient Responsibilities for Informing Subrecipients**

(a) The recipient agrees to maintain records that identify adequately the source and application of Recovery Act funds, to maximize the transparency and accountability of funds authorized under the Recovery Act as required by the Act and in accordance with 2 CFR 215.21, "Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Non-profit Organizations" and OMB A-102 Common Rules provisions (relating to Grants and Cooperative Agreements with State and Local Governments).

(b) The recipient agrees to separately identify the expenditures for Federal awards under the Recovery Act on the Schedule of Expenditures of Federal Awards (SEFA) and the Data Collection Form (SF-SAC) required by OMB Circular A-133. This condition only applies if the recipient is covered by the Single Audit Act Amendments of 1996 and OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations." This shall be accomplished by identifying expenditures for Federal awards made under the Recovery Act separately on the SEFA, and as separate rows under Item 9 of Part III on the SF-SAC by CFDA number, and inclusion of the prefix "ARRA-" in identifying the name of the Federal program on the SEFA and as the first characters in Item 9d of Part III on the SF-SAC.

(c) The recipient agrees to separately identify to each subrecipient the Federal award number, CFDA number, and amount of Recovery Act funds, and to document this identification both at the time of subaward and at the time of disbursement of funds. When a recipient awards Recovery Act funds for an existing program, the information furnished to subrecipients shall distinguish the subawards of incremental Recovery Act funds from regular subawards under the existing program.

(d) The recipient agrees to require its subrecipients to specifically identify Recovery Act funding on their SEFA information, similar to the requirements for the recipient SEFA described above. This information is needed to allow the recipient to properly monitor subrecipient expenditure of Recovery Act funds as well as facilitate oversight by the Federal awarding agencies, the DOJ OIG, and the GAO.

**29. RECOVERY ACT – Buy American Notification (Recovery Act, section 1605)**

The recipient understands that this award is subject to the provisions of section 1605 of the Recovery Act ("Buy American"). No award funds may be used for iron, steel, or manufactured goods for a project for the construction, alteration, maintenance, or repair of a public building or public work, unless the recipient provides advance written notification to the OJP program office, and a Grant Adjustment Notice is issued that modifies this special condition to add government-wide standard conditions (anticipated to be published in subpart B of 2 C.F.R. part 176) that further implement the specific requirements or exceptions of section 1605.

Section 1605 of the Recovery Act prohibits use of any Recovery Act funds for a project for the construction, alteration, maintenance, or repair of a public building or public work unless all of the iron, steel, and manufactured goods used in the project are produced in the United States, subject to certain exceptions, including United States obligations under international agreements.

For purposes of this special condition, the following definitions apply:

"Public building" and "public work" means a public building of, and a public work of, a governmental entity (the United States; the District of Columbia; commonwealths, territories, and minor outlying islands of the United States; State and local governments; and multi-State, regional, or interstate entities which have governmental functions). These buildings and works may include, without limitation, bridges, dams, plants, highways, parkways, streets, subways, tunnels, sewers, mains, power lines, pumping stations, heavy generators, railways, airports, terminals, docks, piers, wharves, ways, lighthouses, buoys, jetties, breakwaters, levees, and canals, and the construction, alteration, maintenance, or repair of such buildings and works.

"Manufactured good" means a good brought to the construction site for incorporation into the building or work that has been--

- (1) Processed into a specific form and shape; or
- (2) Combined with other raw material to create a material that has different properties than the properties of the individual raw materials.

"Steel" means an alloy that includes at least 50 percent iron, between .02 and 2 percent carbon, and may include other elements.

For purposes of OJP grants, projects involving construction, alteration, maintenance, or repair of jails; detention facilities, prisons, public crime victims' shelters, police facilities, or other similar projects will likely trigger this provision.

**NOTE:** The recipient is encouraged to contact the OJP program manager – in advance – with any questions concerning this condition, including its applicability to particular circumstances.

(a) Section 1606 of the Recovery Act requires that all laborers and mechanics employed by contractors and subcontractors on projects funded directly by or assisted in whole or in part by and through the Federal Government pursuant to the Recovery Act shall be paid wages at rates not less than those prevailing on projects of a character similar in the locality as determined by the Secretary of Labor in accordance with subchapter IV of chapter 31 of title 40, United States Code.
- Pursuant to Reorganization Plan No. 14 and the Copeland Act, 40 U.S.C. 3145, the Department of Labor has issued regulations at 29 CFR Parts 1, 3, and 5 to implement the Davis-Bacon and related Acts. Mr. Eric Nichols  
Texas Office of the Attorney General  
PO Box 12548  
Austin, TX 78711-2548

Dear Mr. Nichols:

Congratulations on your recent award. In establishing financial assistance programs, Congress linked the receipt of Federal funding to compliance with Federal civil rights laws. The Office for Civil Rights (OCR), Office of Justice Programs (OJP), U.S. Department of Justice is responsible for ensuring that recipients of financial aid from OJP, its component offices and bureaus, the Office on Violence Against Women (OVW), and the Office of Community Oriented Policing Services (COPS) comply with applicable Federal civil rights statutes and regulations. We at OCR are available to help you and your organization meet the civil rights requirements that come with Justice Department funding.

**Ensuring Access to Federally Assisted Programs**

As you know, Federal laws prohibit recipients of financial assistance from discriminating on the basis of race, color, national origin, religion, sex, or disability in funded programs or activities, not only in respect to employment practices but also in the delivery of services or benefits. Federal law also prohibits funded programs or activities from discriminating on the basis of age in the delivery of services or benefits.

**Providing Services to Limited English Proficiency (LEP) Individuals**

In accordance with Department of Justice Guidance pertaining to Title VI of the Civil Rights Act of 1964, 42 U.S.C. § 2000d, recipients of Federal financial assistance must take reasonable steps to provide meaningful access to their programs and activities for persons with limited English proficiency (LEP). For more information on the civil rights responsibilities that recipients have in providing language services to LEP individuals, please see the website at <http://www.lep.gov>.

**Ensuring Equal Treatment for Faith-Based Organizations**

The Department of Justice has published a regulation specifically pertaining to the funding of faith-based organizations. In general, the regulation, Participation in Justice Department Programs by Religious Organizations; Providing for Equal Treatment of all Justice Department Program Participants, and known as the Equal Treatment Regulation 28 C.F.R. part 38, requires State Administering Agencies to treat these organizations the same as any other applicant or recipient. The regulation prohibits State Administering Agencies from making award or grant administration decisions on the basis of an organization's religious character or affiliation, religious name, or the religious composition of its board of directors.

The regulation also prohibits faith-based organizations from using financial assistance from the Department of Justice to fund inherently religious activities. While faith-based organizations can engage in non-funded inherently religious activities, they must be held separately from the Department of Justice funded program, and customers or beneficiaries cannot be compelled to participate in them. The Equal Treatment Regulation also makes clear that organizations participating in programs funded by the Department of Justice are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion. For more information on the regulation, please see OCR's website at <http://www.ojp.usdoj.gov/ocr/etfbo.htm>.

State Administering Agencies and faith-based organizations should also note that the Safe Streets Act, as amended; the Victims of Crime Act, as amended; and the Juvenile Justice and Delinquency Prevention Act, as amended, contain prohibitions against discrimination on the basis of religion in employment. Despite these nondiscrimination provisions, the Justice Department has concluded that the Religious Freedom Restoration Act (RFRA) is reasonably construed, on a case-by-case basis, to require that its funding agencies permit faith-based organizations applying for funding under the applicable program statutes both to receive DOJ funds and to continue considering religion when hiring staff, even if the statute that authorizes the funding program generally forbids considering of religion in employment decisions by grantees.

Questions about the regulation or the application of RFRA to the statutes that prohibit discrimination in employment may be directed to this Office.

## Enforcing Civil Rights Laws

All recipients of Federal financial assistance, regardless of the particular funding source, the amount of the grant award, or the number of employees in the workforce, are subject to the prohibitions against unlawful discrimination. Accordingly, OCR investigates recipients that are the subject of discrimination complaints from both individuals and groups. In addition, based on regulatory criteria, OCR selects a number of recipients each year for compliance reviews, audits that require recipients to submit data showing that they are providing services equitably to all segments of their service population and that their employment practices meet equal employment opportunity standards.

## Complying with the Safe Streets Act or Program Requirements

In addition to these general prohibitions, an organization which is a recipient of financial assistance subject to the nondiscrimination provisions of the Omnibus Crime Control and Safe Streets Act (Safe Streets Act) of 1968, 42 U.S.C. § 3789d(c), or other Federal grant program requirements, must meet two additional requirements: (1) complying with Federal regulations pertaining to the development of an Equal Employment Opportunity Plan (EEO), 28 C.F.R. § 42.301-.308, and (2) submitting to OCR Findings of Discrimination (see 28 C.F.R. §§ 42.205(5) or 31.202(5)).

### 1) Meeting the EEO Requirement

In accordance with Federal regulations, Assurance No. 6 in the Standard Assurances, COPS Assurance No. 8.B, or certain Federal grant program requirements, your organization must comply with the following EEO reporting requirements:

If your organization has received an award for \$500,000 or more and has 50 or more employees (counting both full- and part-time employees but excluding political appointees), then it has to prepare an EEO and submit it to OCR for review within 60 days from the date of this letter. For assistance in developing an EEO, please consult OCR's website at <http://www.ojp.usdoj.gov/ocr/eeop.htm>. You may also request technical assistance from an EEO specialist at OCR by dialing (202) 616-3208.

If your organization received an award between \$25,000 and \$500,000 and has 50 or more employees, your organization still has to prepare an EEO, but it does not have to submit the EEO to OCR for review. Instead, your organization has to maintain the EEO on file and make it available for review on request. In addition, your organization has to complete Section B of the Certification Form and return it to OCR. The Certification Form can be found at <http://www.ojp.usdoj.gov/ocr/eeop.htm>.

If your organization received an award for less than \$25,000; or if your organization has less than 50 employees, regardless of the amount of the award; or if your organization is a medical institution, educational institution, nonprofit organization or Indian tribe, then your organization is exempt from the EEO requirement. However, your organization must complete Section A of the Certification Form and return it to OCR. The Certification Form can be found at <http://www.ojp.usdoj.gov/ocr/eeop.htm>.

### 2) Submitting Findings of Discrimination

In the event a Federal or State court or Federal or State administrative agency makes an adverse finding of discrimination against your organization after a due process hearing, on the ground of race, color, religion, national origin, or sex, your organization must submit a copy of the finding to OCR for review.

## Ensuring the Compliance of Subrecipients

If your organization makes subawards to other agencies, you are responsible for assuring that subrecipients also comply with all of the applicable Federal civil rights laws, including the requirements pertaining to developing and submitting an EEO, reporting Findings of Discrimination, and providing language services to LEP persons. State agencies that make subawards must have in place standard grant assurances and review procedures to demonstrate that they are effectively monitoring the civil rights compliance of subrecipients.

If we can assist you in any way in fulfilling your civil rights responsibilities as a recipient of Federal funding, please call OCR at (202) 307-0690 or visit our website at <http://www.ojp.usdoj.gov/ocr/>.

Sincerely,

Michael L. Alston
